"Where do we start? Thank you so much for your absolutely incredible 2 sets of music at our wedding celebrations. You were brilliant from the word go, quick and easy booking and correspondence. and I couldn't have asked for more on the actual day. Our guests were blown away by how amazing your voice was, someone asked if you were lip syncing- it was that perfect! The 2 sets were the perfect party starter during our drinks reception and set the perfect mood. Thank you Ben, we will cherish the memory of you singing at our wedding forever"

Testimonials

"Our guests said that you were the highlight of the night!! And you were, in so many ways. It's hard to put in an email how grateful we are for everything you did, and how much of a difference you made by being there. You felt like a friend to us – your contribution definitely extended beyond your (fantastic) performances, and we're both so glad we got to have a laugh with you along the way. You made the wedding infinitely more enjoyable and memorable for being there, so thank you from the bottom of our hearts!"

LIV AND STEVE

"Our day simply wouldn't have been the same if you weren't there. You were incredible, such an amazing voice and your performances were outstanding! So many of our guests kept saying how they were just blown away with your voice.

Even some said they thought it was a CD playing and then noticed you were singing! Absolutely by far the best addition to our big special day and we cannot thank you enough. We will be booking you for any special occasion we have in the near future."
